

Redmine - Defect #25989

Ticket #25959 reproduced

2017-05-17 18:01 - Vasili Korol

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Invalid		
Description I am unable to re-open the ticket #25959 , so I am creating a new one to draw your attention to the fact that i was able to reproduce the problem described there. Previously it was closed as "non-reproducible". My version of Redmine is older than the ticket author's, but he claims that the problem is still actual in 3.3.1, if I understand correctly.			

History

#1 - 2017-05-17 18:14 - Toshi MARUYAMA

- Status changed from New to Closed
- Resolution set to Invalid

See [#25959#note-4](#) and [#25959#note-6](#).
