Redmine - Feature #26385

Add a non-hook based API for adding/removing items to/from contextual menus (like the main menu)

Description

This is something that has come up in several, recurring issues:
#3568
#23434
#6497
#8772
#11492

Instead of adding these hooks, we are most-likely way better of with a solid, API-based solution like as proposed.
