Description

Now we can update Nokogiri to 1.8.0 because Ruby 2.1 support has been dropped by #25538 and #23630.

Quotation from [CHANGELOG of Nokogiri 1.8.0](#) :

```
This release ends support for Ruby 2.1 on Windows in the x86-mingw32 and x64-mingw32 platform gems (containing pre-compiled DLLs). Official support ended for Ruby 2.1 on 2017-04-01.
