

Redmine - Feature #26554

Select Wiki Page as Project Start Page

2017-07-27 17:55 - Michael Gerz

<b>Status:</b>	New	<b>Start date:</b>

<b>Category:</b>	Projects	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>			
<b>Resolution:</b>			
<b>Description</b> The overview page of a project (with its issue stats and users list) is not very attractive to customers.  The Redmine website with its custom home page is an excellent proof that the overview page is not a good starting point.  I think it would be a great option to declare the Wiki start page as the start page of a project.
