at redmine i can only see the project name (pls see project list image) and i need to open it one by one to see the details,i need to see all the projects information one time by exporting it to excel or csv file and do some statistic like how many internal project we have and how many external or each PM how many project he have so i need to get all the project information including the custom field i had add to project setting (pls see project details image)

many thanks
