

Redmine - Defect #26678

Custom field required not work with 3.4.2

2017-08-14 14:17 - James Wang

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Permissions and roles	Estimated time:	0.00 hour
Target version:		Affected version:	3.4.2
Resolution:	Invalid		
<b>Description</b> I created a custom field and setup in the workflow as required during some status and not worked. But Setting default field as required worked.  I also tried 3.3.2 and still same.			

History

#1 - 2017-08-14 14:32 - Toshi MARUYAMA

- Status changed from New to Closed
- Resolution set to Invalid

I cannot reproduce.
