Category:	UI		**Estimated time:**	0.00 hour
Target version:				
Resolution:	Invalid		**Affected version:**	3.4.2

Description

On 3.3.0, I found these occurrences of contextMenuInit

```
redmine-3.3.0/public/javascripts/context_menu.js:function contextMenuInit(url) {
redmine-3.3.0/test/functional/versions_controller_test.rb:    assert_select "script", :text => Reg
exp.new(Regexp.escape("contextMenuInit('/issues/context_menu')"))
redmine-3.3.0/app/helpers/application_helper.rb:    javascript_tag "contextMenuInit('#{ url_for(ur
l) }')"
```

rather than on 3.4.2

```
redmine-3.4.2/public/javascripts/context_menu.js:function contextMenuInit(url) {
```

History

#1 - 2017-08-21 13:33 - Toshi MARUYAMA

- Description updated

- Status changed from New to Needs feedback

- Priority changed from High to Normal

Please explain more details.

#2 - 2017-08-21 13:38 - fabrice salvaire

Right click on issues doesn't work any more on my Redmine 4.3.2 instance. And any event is attached on the ul/il elments.

Up to now, I only found the contextMenuInit function is no longer called. Is it dead code ?

#3 - 2017-08-21 13:48 - Toshi MARUYAMA

Try to clear browser cache.

#4 - 2017-08-21 13:52 - fabrice salvaire

It doesn't solve the issue.

I tested on Firefox and Chrome, there is any click and contextmenu event attached on the html element.
I added an explicit call to contextMenuInit at the end of context_menu.js, it attaches the event but it not enough to fix the issue.

#5 - 2017-08-21 14:42 - Toshi MARUYAMA

What plugins do you use?

#6 - 2017-08-21 14:47 - fabrice salvaire

Only this one http://github.com/bluezio/redmine_wiki_backlinks
And a custom theme

#7 - 2017-08-21 14:54 - Toshi MARUYAMA

What happens without your custom theme or plugin?

#8 - 2017-08-21 16:54 - fabrice salvaire

Same issue

#9 - 2017-09-06 22:25 - fabrice salvaire

Found issue, I did a mistake when I upgraded since I believed public was empty in source.

Must be rejected.

#10 - 2017-09-07 07:26 - Toshi MARUYAMA

- Status changed from Needs feedback to Closed

- Resolution set to Invalid
