#### Description

I want to transmit the notice of addition and the change of the ticket to the e-mail address of the whole projects such as mailing lists.

model and view patch.

"ticket" is wrong. I wanted to convey "issue".

### #2 - 2009-02-10 00:57 - Eric Davis

Could you add some tests to confirm the behavior?

### #3 - 2012-07-31 10:57 - Rachid B

*- Status changed from New to Resolved*

I think this plugin provides that functionality:

[https://github.com/ajwalters/redmine\\_project\\_specific\\_email\\_sender](https://github.com/ajwalters/redmine_project_specific_email_sender)

### #4 - 2020-02-29 13:49 - Go MAEDA

*- Status changed from Resolved to Closed*

Redmine 3.2.0 or later supports project-specific email addresses ([redmine+project@example.com](mailto:redmine+project@example.com)). See #20732 for details.

### #5 - 2020-02-29 13:49 - Go MAEDA

*- Related to Patch #20732: MailHandler: Select project by subaddress (redmine+project@example.com) added*
