

Redmine - Feature #2709

Modify default values

2009-02-10 16:55 - Brandon Dixon

Status:	Closed	Start date:	2009-02-10
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Resolution:	Fixed		
Description			
Is there a way the default values of a new ticket could be adjusted. I am specifically looking to change the default value of the "Assigned to:" field.

I don't know about other fields - but specifically for "Assigned to:" this is a duplicate of [#482](#). While the issue is yet not closed, you can use the default_assign_plugin:https://github.com/giddie/redmine_default_assign for the same purpose.

#2 - 2023-04-16 16:18 - Go MAEDA

- Status changed from New to Closed
- Resolution set to Fixed

You can set a default assignee per project since Redmine 3.4.0 ([#482](#)).
