Target version:	
Resolution:	
Description	
<p>Much like what's available when new saved query is created.</p> <p>Preferably it should be shown in admin Settings Issue tracking</p> <p>at Default columns displayed on the issue list section.</p> <p>For example, from saved queries page: !2017-10-05 13_10_30-RCOM.png!</p>

+1

We should have the same options as when we create queries.

Default sort seems also important to me.
