Redmine - Feature #2725

Ability to double click on entire rows in tables to select the item.

2009-02-12 08:21 - Rob Olsthoorn

Description

Currently, you can only select one HREF item on a row in table. It is much more convenient and consequent when that the row that is highlighted is activated once it is double clicked.

I am not very sure about what has been asked here. However, but from what I understand, this is already achieved as of today.

Please ask for feedback on this.

#2 - 2013-04-11 13:00 - Toshi MARUYAMA

- Status changed from New to Needs feedback

#3 - 2013-04-11 14:54 - Daniel Felix

- Due date set to 2013-04-25

Please give some further Feedback until the 25th April, otherwise this issue will be closed. Thanks.
