

Redmine - Feature #27381

% Complete respond to status change in UI

2017-11-05 09:17 - James H

Status:	New	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Resolution:			
Description			
Would like a hybrid option of % Complete driven off of issue status vs driven off of the % complete field, where the % Complete field responds dynamically to issue status changes in the UI before submission.
