Target version:				
Resolution:	No feedback			

Description

Hi,

you can see in my attachment the nature of my request.

Explore the possibility of making a multiple entry in the type of notification that Redmine offers.
Today, we can not be notified of both the tasks we create AND the tasks assigned to us. It's either one or the other.

bests regards;

aguirre inaki

History

#1 - 2017-11-13 12:16 - inaki aguirre

- File attachment for redmine request.jpg added

My request concerns the mail notifications category and administration.

#2 - 2017-12-04 15:35 - Toshi MARUYAMA

- Category changed from Administration to Email notifications

- Status changed from New to Needs feedback

- Priority changed from Urgent to Normal
