Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Email notifications	Estimated time:	0.00 hour
Target version:			
Resolution:	Duplicate		
Description Currently the format is as follows: <code>[ProjectName - Task #4983] (Closed) Email Notification Test1</code> For email security reasons, we would like to add '#' at the beginning of the subject line: <code># [ProjectName - Task #4983] (Closed) Email Notification Test1</code> Is it possible? If so, then how? Thanks, Shakeel Masood MegaChips Technology America, San Jose, CA 95134, USA.

The 'desired' format, somehow got messed up, below is what we need, add a # at the beginning in the subject line:

`# [ProjectName - Task #4983] (Closed) Email Notification Test1`
