Redmine - Feature #27680

Changing Subject Line in email notification when an issue is created or updated

2017-11-30 02:43 - Shakeel Masood

Status:	Closed		**Start date:**

Target version:				
Resolution:	Duplicate			

Description

Currently the format is as follows:

```
[ProjectName – Task #4983] (Closed) Email Notification Test1
```

For email security reasons, we would like to add '#' at the beginning of the subject line:

```
#[ProjectName – Task #4983] (Closed) Email Notification Test1
```

Is it possible? If so, then how?

Thanks,
Shakeel Masood

History

#1 - 2017-11-30 02:46 - Shakeel Masood

The 'desired' format, somehow got messed up, below is what we need, add a # at the beginning in the subject line:

#[ProjectName - Task #4983] (Closed) Email Notification Test1
