suggestion: "Non member" should be invisible to the projects.			

History

#1 - 2017-12-20 12:35 - Roy T.Burns

Add a setting.  
Do not allow anonymous to access the content.

#2 - 2017-12-22 05:58 - Bernhard Rohloff

If you look into your project settings there is a checkbox "public" which I think is the one you would like to have... ;-)  
It's also described in the [documentation](#) of the project settings.

#3 - 2018-01-08 17:04 - Toshi MARUYAMA

- Status changed from New to Closed
- Resolution set to Invalid
