<b>Description</b>			
There are file uploads in the user guide which have nothing to do with Redmine and should be deleted. Many of the files where added by the user "Jiljil Govind".  For example on this wiki page: <a href="http://www.redmine.org/projects/redmine/wiki/RedmineAttachedFiles">http://www.redmine.org/projects/redmine/wiki/RedmineAttachedFiles</a> If i find more of them, I'll add the pages to this issue.
