<b>Description</b> It would be nice to have a way of setting up custom formatting of custom fields. In my case, we are referring to an external bugtracker, and it would be nice to have the bugid field displayed as an URL to the external bugtracker. I have made a quick hack in show_value to get the desired effect, but it would be neat to have this generalized.			
<b>Related issues:</b> Is duplicate of Redmine - Feature #1358: Link_to for Custom Field <b>Closed</b> <b>2008-06-03</b>			

History

- #1 - 2011-03-23 08:01 - Toshi MARUYAMA
- Category set to Custom fields
- #2 - 2017-02-12 06:25 - Go MAEDA
- Is duplicate of Feature #1358: Link\_to for Custom Field added
- #3 - 2017-02-12 06:25 - Go MAEDA
- File link-format-cf-sample.png added
  - Status changed from New to Closed
  - Resolution set to Duplicate

Link format custom field implemented in #1358 (Redmine 2.5.0) is suitable for the purpose.
