

Redmine - Defect #2821

Squeeze Theme Not Working

2009-02-24 10:50 - karthikeyan rangaswamy

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	UI	Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Invalid		
Description I Have downloaded Squeeze Theme in public/themes folder.I Have Restarted my webrick server.I Have changed the default Theme in Administrator-settings section to squeeze theme.But The Theme is Not changing properly.I am not getting icons near Overview,Activity,Roadmap,Issues.Also I am not getting Top Logo Near the Project Name in the blue bar. In the screenshot they has mentioned the Top Logo in squeeze theme
