

Redmine - Feature #2829

Ability to set default search filter for Issues

2009-02-24 18:16 - Anonymous

Target version:			
Resolution:	Duplicate		
Description I'd like to propose the ability to save a Filter search, and save it as the default that will be used for all users. This would of course, only be possible (to set) by those that have permission. This would mean we don't have to use the default filter set, which is not always what we want.

Did anything get done about this? I would also like to change the default search filter.

#2 - 2012-02-06 11:08 - Daniele Palumbo

Me too.
