Redmine - Patch #28321

Change Japanese translation for "in use"

2018-03-12 07:03 - Go MAEDA

Status:	Closed		**Start date:**	
Priority:	Normal		**Due date:**	
Assignee:	Go MAEDA		**% Done:**	0%
Category:	Translations		**Estimated time:**	0.00 hour
Target version:	4.0.0			

Description
I suggest improving Japanese translation for "X is in use", to change from "□□□□□□□□" to "□□□□□". Both two expression have almost the same meaning, but "□□□□□" is shorter and more natural.
