

## Redmine - Defect #28322

### Commit messages referencing issues should stop at line breaks

2018-03-12 09:53 - Gregor Schmidt

<b>Status:</b>	New	<b>Start date:</b>	
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>	SCM	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>	Candidate for next minor release	<b>Affected version:</b>	
<b>Resolution:</b>			
<b>Description</b>			
<p>When referencing an issue via commit message, the matching should stop at line breaks. Otherwise, unexpected things may happen.</p> <p>E.g given the following commit message:</p> <p>Initial version of Feature #123</p> <p>Includes the following changes:</p> <p>#124 some UI fixes #125 still work in progress</p> <p>the current implementation will mark #125 as fixed. I think, this is unexpected.</p> <p>I've attached a patch, which replaces all \s with [[:blank:]] in the relevant regular expressions. Those matchers are equivalent, but [[:blank:]] does not match \r\n. I've also added a test.</p> <p>This bug was identified by Holger Just from Planio.</p>			

#### History

**#1 - 2018-03-12 09:59 - Jan from Planio [www.plan.io](http://www.plan.io)**

- Target version set to Candidate for next minor release

**#2 - 2018-03-12 14:28 - Go MAEDA**

Thank you for detecting and fixing this issue, it looks good to me.

But I am afraid that some people make use of the current behavior, like the following example.

Refs:

#1, #2, #3
