Redmine - Feature #28507

Accept groups in project's default assignee

2018-04-09 08:13 - Go MAEDA

Status:	Closed		**Start date:**	
Priority:	Normal		**Due date:**	
Assignee:	Go MAEDA		**% Done:**	0%
Category:	Project settings		**Estimated time:**	0.00 hour
Target version:				
Resolution:	Invalid			

Description
Project's default assignee which has been implemented in [#482](#) does not accept groups even if the "Allow issue assignment to groups" is set to true. I have been using Redmine for customer support and I want to assign issues to the support team.

History

#1 - 2018-04-09 08:13 - Go MAEDA

- Related to Defect #27407: Default assignee in issue categories doesn't work for groups added

#2 - 2018-04-30 12:18 - Marius BĂLTEANU

- File settings.png added

- File new_issue.png added

- Status changed from New to Needs feedback

- Assignee set to Go MAEDA

I've tested this defect on the current trunk ([r17320](#)) and I cannot reproduce it, please see the below steps/screenshots:

I made the following steps on the test database:

- Enabled 'Allow issue assignment to groups'
- Added group "B Team" to eCookbook project members with "Developer" role.
- In the 'Issue tracking' tab, I've selected 'B Team' as default assignee.
    settings.png
- Open new issue
- Fill in anything as subject
- Create
- The "B Team" is set as assignee
    new_issue.png

#3 - 2018-04-30 13:32 - Go MAEDA

- Status changed from Needs feedback to Closed

- Resolution set to Invalid
