Redmine - Feature #2860

Bounty plug-in

2009-02-28 01:45 - James Turnbull

Status: New Start date: 2009-02-28 **Priority:** Due date: Normal Assignee: % Done: 0% Category: **Estimated time:** 0.00 hour Plugin Request Target version: Resolution:

Description

A useful plug-in would be a bounty plug-in that allowed you to specify monetary rewards for the fixing of bugs and the addition of features.

The plug-in would list the bounty value for the ticket, whomever set the bounty and contain a means to contact them, apply for the bounty, etc.
