Redmine - Feature #28678
Allow to filter projects where the specific role is used
2018-05-03 06:01 - Maxim Krušina

Status: New
Priority: Normal
Assignee: 
Category: Projects
Target version: 
Resolution: 

Description

Why? There is a lot of cases, when we need this - like I would like to delete an old role, but I cannot, coz there is a message that this role is in use, but no way to detect by which project.
