Thank you for updating the translation. I noticed that the translation for text_project_is_public_non_member includes English words "logged-in users". Is it OK?

```
text_project_is_public_non_member: Публичните проекти са достъпни за всички logged-in users.
```

#2 - 2018-05-19 01:50 - Go MAEDA

- File bg-translation-28783.diff added

I made a patch file from the suggested bg.yml.

#3 - 2018-05-19 19:13 - Ivan Cenov

Now:

```
text_project_is_public_non_member: Публичните проекти са достъпни за всички logged-in users.
```

Let it be:

```
text_project_is_public_non_member: Публичните проекти са достъпни за всички влезли в Redmine потребители.
```
