

Redmine - Defect #28865

Group items by project in version type custom fields

2018-05-23 15:51 - flabb17 _

Status:	New	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Custom fields	Estimated time:	0.00 hour
Target version:		Affected version:	3.4.4
Resolution:			
Description I'm using version 3.4.4 (this version should include revision 16194) and sub project name is not visible on my custom "affected version" field, but visible on target version (dropdown menu) the "letter" H or P in my exemple is added on the version name as workaround Target version: target.png Affected version: affected.png
