<b>Category:</b>	<b>Estimated time:</b> 0.00 hour
<b>Target version:</b>	<b>Affected version:</b>
<b>Resolution:</b> Duplicate	
<b>Description</b> I found some tickets which mentioned "blocks" relations.  <a href="#">#2132</a> Patch to prevent blocked issues from being closed <a href="#">#1755</a> add "blocked by" as a related issues option <a href="#">#1740</a> Actually block issues from closing when relation 'blocked by' isn't closed  These tickets seem to be left. or any problem to implement "blocks"?	
<b>Related issues:</b> Is duplicate of Redmine - Defect #1740: Actually block issues from closing wh... <b>Closed</b> <b>2008-08-04</b>	

### History

#### #1 - 2009-07-05 09:57 - Marius Garbea

Guess there's an issue blocking the implementation of 'blocks' ;-)

Well, I would gladly apply a patch, but did not find one that completely implements 'blocks, precedes, or relates to'. ('duplicates' seems implemented).  
Can someone point me to a place where I can find all patches?

#### #2 - 2009-07-05 10:33 - Jean-Philippe Lang

- Status changed from New to Closed

- Resolution set to Duplicate

Fixed in [r2800](#), a blocked issue can no longer be closed.
