Description
I found some tickets which mentioned "blocks" relations.
#2132 Patch to prevent blocked issues from being closed
#1755 add "blocked by" as a related issues option
#1740 Actually block issues from closing when relation 'blocked by' isn't closed
These tickets seem to be left.
or any ploblem to implement "blocks"?

Guess there's an issue blocking the implementation of 'blocks' ;-)
Well, I would gladly apply a patch, but did not find one that completely implements 'blocks, precedes, or relates to'. ('duplicates' seems implemented).
Can someone point me to a place where I can find all patches?

- Status changed from New to Closed

- Resolution set to Duplicate

Fixed in r2800, a blocked issue can no longer be closed.
