Revision 2566 - 2009-03-07 16:58 - Jean-Philippe Lang

Adds a sortable "Project" column to the issue list.  
It's displayed by default on the cross-project issue list (#2889). It's also available for saved queries.

+1  
  
I know this has been requested before, but it is such an obvious (and significant) problem not to be able to sort by subproject (which is the only real consequence of the current system) that I am +1 again.

#2 - 2009-03-07 16:56 - Jean-Philippe Lang

- Category set to Issues
- Status changed from New to Resolved
- Target version set to 0.8.3
- Resolution set to Fixed

Committed in [r2566](#).  
The project column is now available and displayed by default on the cross-project issue list.

If only I had more time to work on the core. I just implemented this a few weeks ago but haven't been able to push it back into the core (I've been attending to my plugin bugs). Good job on the implementation though, it's something I've been wanting.
