<b>Description</b>			
In previous versions of Redmine, the ability to edit time entries from the "Spent Time" section of My Page was used by my team fairly frequently. Can that ability be returned as appropriate when the user has proper permissions? The workaround right now is to open the issue, open the spent time for that issue, THEN click the entry that needs to be edited.

- Is duplicate of Patch #26655: Additional icon for contextmenu added

##### #2 - 2018-06-20 18:46 - Marius BĂLTEANU

- File icon.png added

- Status changed from New to Closed

- Resolution set to Duplicate

An icon will be available in Redmine [4.0.0](#) that makes the context menu more obvious for users. Please reopen this ticket if is not enough.
