<b>Description</b>			
Hello,			
it would be very useful if you also could ASSIGN a ticket to somebody if you submit it via E-Mail. Maybe you could add the command "assign: NAME" to this routine.			
And I noticed you can not add watchers to an already existing Ticket if you add them to CC and update the Ticket via Mail - this would also be an interessting feature.			
Keep up the great work!			

History

- Category changed from Email notifications to Email receiving

#2 - 2010-11-12 11:59 - Jean-Philippe Lang

- Status changed from New to Closed

This was done in [r3764](#). You can use the "Assigned to:" keyword.
