- Resolution set to Fixed

I've added a page about using the existing reminder rake task: [RedmineReminderEmails](#).  
Hope it will help.

Jean,  
I hope the function just like outlook calendar.We can select reminding time point and reminding time cycle.Can you update the demo web with this function?

Thanks.

Closing it as it's pretty old (+ Redmine is not Outlook, you should have basic reminders with the rake tasks)
