

Redmine - Defect #29242

Issues - HTML5/CSS "Duration"

2018-07-16 15:40 - Kian Shakeri

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues	Estimated time:	0.00 hour
Target version:		Affected version:	3.3.1
Resolution:	Invalid		
Description			
Parent issue: #29235			
Even after "uninstalling" the redmine_backlogs plugin using rake, the "Duration" field is still there. The plugin isn't shown in the Plugins section or modules section...			
Thanks.

- Status changed from New to Closed

- Resolution set to Invalid

Plain Redmine does not have such a field. It is not a problem of Redmine. Please contact the author of the plugin.
