

Redmine - Defect #2930

Files without Version aren't visible in the Activity page

2009-03-08 15:04 - Teddy L

Status:	Closed	Start date:	2009-03-08
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Attachments	Estimated time:	0.00 hour
Target version:	0.8.3	Affected version:	0.8.1
Resolution:	Fixed		
<b>Description</b> Files without Version are attached to the 'Project' container, so, they aren't linked to the 'files' event.  I think all projects should have an invisible default version to store this files. But for the moment i have modified the Attachement model to merge 'Project' and 'Version' containers (see svn path).			

Associated revisions

Revision 2569 - 2009-03-08 15:31 - Jean-Philippe Lang

Fixed: Files without Version aren't visible in the Activity page (#2930).
