

Redmine - Defect #29729

Upload File

2018-10-04 15:24 - Mayurkumar Teraiya

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues	Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Invalid		
Description			
We are not able to upload .apk file in attachement.			

History

#1 - 2018-10-05 13:17 - Holger Just

- Status changed from New to Needs feedback

Why not? What is the exact error message? What is in your logs?

Please also refer to [Submissions](#) for some hints on what information we need in order to reproduce and eventually fix actual issues in Redmine.

#2 - 2018-10-05 13:17 - Holger Just

- Tracker changed from Patch to Defect

#3 - 2018-10-05 18:26 - Bernhard Rohloff

[holger mareck](#) Just

I think that's just another **test issue** ...

#4 - 2018-10-09 15:13 - Marius BĂLTEANU

- Status changed from Needs feedback to Closed

- Resolution set to Invalid
