Target version:	4.0.1			

Description

Hi,

The Version fixed_issues extension can't be overridden, there is no way to override it properly in rails.
Can you apply this patch to move the extension to a module, the patch is really straightforward.

This will give the possibility to override it cleanly.
The patch has been tested with success on the last Redmine V4.0.0.

Associated revisions

Revision 17754 - 2018-12-16 17:01 - Jean-Philippe Lang

Moved Version#fixed_issues extension to a module (#30115).

Patch by Jérôme BATAILLE.

Revision 17819 - 2019-01-19 12:04 - Jean-Philippe Lang

Merged r17754 to 4.0-stable (#30115).

History

#1 - 2018-12-06 17:21 - Jérôme BATAILLE

Could this simple patch be integrated in the next Redmine Version ?

#2 - 2018-12-16 17:02 - Jean-Philippe Lang

- Subject changed from Version fixed_issues extension : use a module to be able to override to Move Version#fixed_issues extension to a module
