<b>Category:</b>	Wiki	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>		<b>Affected version:</b>	
<b>Resolution:</b>			
<b>Description</b>			
Attached images to a wiki page can get an orphan, if the content of the wiki page was changed. Sadly redmine wiki does not provide any way to identify orphaned files/images in wiki pages.			
This is a symmetrical issue to <a href="#">#30164</a>
