test_links_separated_with_line_break_should_link tests nothing

Since Redmine::WikiFormattingTest#test_links_separated_with_line_break_should_link (source:trunk/test/unit/lib/redmine/wiki_formatting_test.rb#L57 ) does not have an assert method, the test is not executed.

```bash
$ bundle exec rake test TEST=test/unit/lib/redmine/wiki_formatting_test.rb:57
Run options: --seed 9224

I made a patch, and attach it.
