

Redmine - Feature #305

Custom Query

2007-03-29 08:35 - Ross Manning

Status: Closed	Start date:
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category:	Estimated time: 0.00 hour
Target version:	
Resolution:	
Description You can add a query, but can not delete it once created, so the list will grow very long over time!!	

History

Of course you can.

Don't consider the demo as the full demonstration of what you can do with redMine.
