

## Redmine - Feature #307

### CC field for issues

2007-03-29 09:20 - Brenden Grace

<b>Status:</b>	Closed	<b>Start date:</b>	
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>		<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>			
<b>Resolution:</b>			
<b>Description</b> A CC field like found in Bugzilla. This field would keep others interested in an issue up to date with all ticket (issue) changes and modifications. Currently I believe only the ticket owner gets these updates.			

### History

#### #1 - 2007-04-04 04:26 - Pavol Murin

I already created a patch for this (watching issue status changes):

[http://rubyforge.org/tracker/index.php?func=detail&aid=9671&amp;group\\_id=1850&atid=7162](http://rubyforge.org/tracker/index.php?func=detail&aid=9671&amp;group_id=1850&atid=7162)

I hope it will be integrated into the main trunk.

The way it works is, you click a button, when viewing an issue an from then on, you get all notifications. If you click it again, you won't get any messages anymore.

#### #2 - 2007-04-21 09:03 - Jean-Philippe Lang

Users can now "watch" an issue and receive notifications about issue changes.
