Can you set the color arbitrarily on the Project Settings Information tab or make it possible to set the color for each category?

But I think that it is better to be able to set it arbitrarily because there is also a demand for all projects to be different colors.

#2 - 2019-02-20 15:03 - Saleh Alashkar

there is no Color arbitrarily Option in the Project Settings Information tab !!

#3 - 2019-03-02 15:23 - Mitsuyoshi Kawabata

sorry, it is just my idea.  
I should have written "+1".
