

## Redmine - Feature #3082

### Repository Search

2009-03-31 11:54 - Jens Goldhammer

<b>Status:</b>	New	<b>Start date:</b>	2009-03-31
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>	SCM	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>			
<b>Resolution:</b>			
<b>Description</b> it would be very useful to have a search (content, filenames, comments) for the project archive? Trac is able to do that with the RepoSearchPlugin ( <a href="http://trac-hacks.org/wiki/RepoSearchPlugin">http://trac-hacks.org/wiki/RepoSearchPlugin</a> ).  Maybe it is possible to integrate Sventon( <a href="http://www.sventon.org/">http://www.sventon.org/</a> ) for SVN or Opengrok ( <a href="http://opensolaris.org/os/project/opengrok/">http://opensolaris.org/os/project/opengrok/</a> ) for various SCMs into Redmine?			
<b>Related issues:</b> Related to Redmine - Feature #4138: Add spent time comments in search Has duplicate Redmine - Feature #1329: Search for a file within the repository

### History

#### #1 - 2009-03-31 11:55 - Jens Goldhammer

Sorry it should be a feature!

#### #2 - 2009-03-31 15:58 - Marco D'Arienzo

+1

#### #3 - 2009-04-02 19:10 - Jean-Philippe Lang

- Tracker changed from Defect to Feature

#### #4 - 2009-04-04 11:44 - Jean-Philippe Lang

Note that commit comments can already be searched:

[http://www.redmine.org/search/index/redmine?q=behaviour&scope=all\\_words=1&changesets=1](http://www.redmine.org/search/index/redmine?q=behaviour&scope=all_words=1&changesets=1)

#### #5 - 2009-05-22 21:36 - Jens Goldhammer

+1

#### #6 - 2009-05-22 23:34 - Thomas Pihl

+1

#### #7 - 2009-06-09 08:38 - chris redmine

+1 for at least file name search

#### #8 - 2009-06-09 08:58 - Jens Goldhammer

Another option would be Subversion Repository Search (<http://suppose.soebes.de/>).

Another alternative could be creating a plugin for indexing the repository on each project, using Ferret (Lucene port to Ruby) and the rails plugin: Acts as Ferret.

<http://ferret.davebalmmain.com/trac/wiki>

<http://rm.jkraemer.net/wiki/aaf>

**#13 - 2010-06-17 09:49 - chris madler**

+10!

Super useful feature!

**#14 - 2011-02-09 13:16 - S Reid**

Hi! I try to create this plugin: [http://www.redmine.org/plugins/redmine\\_reposearch](http://www.redmine.org/plugins/redmine_reposearch)

Its copy of RepoSearchPlugin for Trac.

PlESE try it and feedback ;-)

Thanks.

**#20 - 2013-08-29 13:32 - Terence Mill**

The "redmine\_xapian" plugin supports filea and repository (git,svn) in one go now.

See [https://github.com/xelkano/redmine\\_xapian/issues/26](https://github.com/xelkano/redmine_xapian/issues/26)

Testd and works for me on redmine 2.3.2, rails3 and ruby 2

**#21 - 2013-10-01 12:31 - Toshi MARUYAMA**

- *Related to Feature #4138: Add spent time comments in search added*

**#22 - 2015-08-07 07:48 - Sergey Startsev**

Very-very useful feature!

Especially, when using as KB for finished projects.
