History

#1 - 2010-10-03 15:13 - Mischa The Evil

- Category set to Gantt

#2 - 2018-07-09 09:50 - Go MAEDA

- Has duplicate Feature #29212: export gantt chart to csv file added

#3 - 2018-07-09 09:56 - Randa Bustami

is it doable ?
because its 9 years ago ?

#4 - 2018-07-09 10:05 - Go MAEDA

You can export issues to a CSV file by following steps. Is it useful for you?

1. Open gantt page and set filters as you like.
2. Move to the issues page. The applied filtering condition is the same condition on the gantt page.
3. Export issues to CSV.
