

Redmine - Patch #30971

principals_options_for_select does not select user when user id is numeric

2019-03-05 17:37 - Jérôme BATAILLE

Status: New	Start date:
Priority: Normal	Due date:
Assignee:	% Done: 0%

Target version:	
Description	
<p><u>To fix it</u> : In application Helper L487 convert selected to string if it is an integer if selected.is_a?(Integer) selected_s = selected.to_s else selected_s = selected end selected_attribute = ' selected="selected"' if option_value_selected?(element, selected) element.id.to_s == selected_s</p>	

History

#1 - 2019-03-06 04:29 - Go MAEDA

Could you show the steps to reproduce the problem with the Web UI?

#2 - 2019-03-06 11:59 - Jérôme BATAILLE

The only places where selected is an integer are :

- in bulk edit :
->/lxc/redmine4/home/smile/redmine-4.0.0/app/views/issues/bulk_edit.html.erb
74: principals_options_for_select(@assignables, @issue_params[:assigned_to_id])) %>
NOT sure if @issue_params[:assigned_to_id] is passed as a string or an integer
- and in Redmine V4.1 :
in timelog_helper : user_collection_for_select_options
