

Redmine - Feature #310

Colorize issues in my page view

2007-04-02 03:39 - cao cao

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:			
Resolution:			
Description In my page all the issues are listed with the same font, same color. It's not easy for user to identify which were resolved and which are undergoing. If these issues could be rendered with different color, that will be a wonderful thing for users. Thanks -- caocao			

History

#1 - 2007-04-02 16:26 - Jean-Philippe Lang

A colored squared for issue status (the same as on issue list) has been added on "my page".
