Redmine - Defect #31125

Don't output ImageMagick version information to stdout

2019-03-31 09:30 - Go MAEDA

Status:	Closed		**Start date:**	
Priority:	Normal		**Due date:**	
Assignee:	Go MAEDA		**% Done:**	0%
Category:	Administration		**Estimated time:**	0.00 hour
Target version:	3.4.11			
Resolution:	Fixed		**Affected version:**	

Description

I see many ImageMagick banners like the following in the log file of Passenger but they are quite useless. I propose the attached change to prevent ImageMagick banners from being logged.

```
App 5886 output: Version: ImageMagick 6.7.8-9 2016-06-22 Q16 http://www.imagemagick.org
App 5886 output: Copyright: Copyright (C) 1999-2012 ImageMagick Studio LLC
App 5886 output: Features: OpenMP
App 5886 output:
```

Associated revisions
