Redmine - Defect #3118

hook controller_issues_new_after_save is missing from issues_controller

2009-04-03 17:27 - Jason Messmer

Status:	Closed	**Start date:**	2009-04-03
Priority:	Normal	**Due date:**	
Assignee:	Eric Davis	**% Done:**	0%
Category:	Plugin API	**Estimated time:**	0.00 hour
Target version:	0.8.6		
Resolution:		**Affected version:**	0.8.2

Description
For some reason in the 0.8.2 downloads, the controller_issues_new_after_save hook is missing. It was added in revision 2261 back in January by Eric and 0.8.2 was released in March. After looking at the trunk for issue_controller.rb, I can't find where it was removed.

- Status changed from New to Closed

- Target version set to 0.8.6

Looks like this was merged in r2997.
