

Redmine - Defect #31238

The input field of the Gantt chart page is narrow

2019-04-22 06:41 - Mizuki ISHIKAWA

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:	Go MAEDA	% Done:	0%
Category:	UI	Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Fixed		
Description			
The input field of the Gantt chart page is narrow. I think that the cause is that "box-sizing: border-box;" is added to the style of the input field. ScreenShot_2019-04-22_13.31.47.png Related to #31147 . Affected version: trunk.
