The term "user story", "question", and "task" are not used in plain Redmine. I think those are terms specific in your environment. Please talk with the admin of your Redmine.

If you have questions about Redmine, Please use forums after reading [How to request help](#).

#2 - 2019-05-06 15:19 - youssef ch

I'am administrator in redmine
how i can resolve that
maybe missing plugin for install ?

#3 - 2019-05-06 15:22 - Go MAEDA

Please use forums for questions. Issues should be used for reporting bugs, requesting new features, or submitting patches.
